EXEMPT WELL DEVELOPMENT APPLICATION

Date: _____

Instructions: Please type or print legibly. This application is to be used for authorization to construct, drill, modify, replace, change type of use, alter size, perform dye tracing, abandon, cap or plug an exempt water well. A separate application must be submitted for each well to be constructed, drilled, modified, replaced, use changed, dye traced, abandoned, capped or plugged. See Rule 8.2 and 8.5 G for further details and information.

1. APPLICATION PURPOSE

Application is hereby made to the Bluebonnet Groundwater Conservation District for authorization to (check all that apply):

- _____ Drill a new well, as described more fully herein _____ Abandon, cap or plug an existing well
- _____ Increase the size of an existing well, as described more fully herein _____ Perform dye tracing
- _____ Increase the pump size of an existing well, as described more fully herein _____ Replace an existing well

2. WELL OWNER/PROPERTY OWNER/WELL OPERATOR INFORMATION

Note: If well owner, well operator and property owner are not the same individual or entity, the information requested below must be given on a separate sheet of paper, attached to this application, for each classification (well owner, well operator or property owner).

Well Owner/Operator: _____

Contact Address: _____

City: _____ State: _____ Zip: _____

Telephone Number: AC _____ Number _____

Fax Number: AC _____ Number _____

E-mail address: _____

Contact Person: _____
 (If different from owner or if owner is a business, corporation, governmental entity, estate, trust, etc.)

Contact Telephone Number: AC _____ Number _____

Contact Fax Number: AC _____ Number _____

Contact E-mail Address: _____

3. WELL LOCATION

Well site is located in:

Austin County _____ Grimes County _____ Walker County _____ Waller County _____

Well site physical address:

Street or road Address: _____

City or Post Office: _____ State: Texas Zip: _____

If well site does not have an address, it is located:

_____ Miles _____ of _____ on _____
(# Miles) (N, S, E, W) (Nearest City or Town) (Name of Road)

If known, the location of this well is at:

Latitude: _____ North Longitude: _____ West

Well must be drilled within 30 feet of the location specified and not closer to any existing well, authorized well site, property line or source of potential contamination than the minimum spacing requirements stated in Section 5 of the District's Rules.

4. WELL DRILLER

Drilling Company: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Fax: _____

E-mail address: _____

Name Texas Licensed Driller: _____

Texas State Well Drillers License Number: _____

5. WELL INFORMATION (If Known)

Date well drilled: (estimated drill date for new well) _____

Total well Depth: _____ feet Depth to water level: _____ feet

Depth to pump level: _____ feet Internal diameter of well bore: _____

Casing: External Diameter _____ Internal Diameter _____ Material _____

Rated pump size: _____ hp Maximum pumping capacity of pump: _____ gpm

Water analysis made or planned: _____ Yes _____ No (Furnish copy to District)

6. WELL PRODUCTION INFORMATION

Estimated quantity of water to be produced by this well annually:

_____ Acre-feet **or** _____ Gallons

7. PROPOSED USE OF WATER PRODUCED

Proposed beneficial use of water produced by the well:

Exempt Wells (exempted by Rule 8.3)

___ Domestic Use ___ Agricultural Use ___ RR Commission (Drilling) ___ RR Commission (Mining)

If the proposed use is not listed above, specify the proposed use in an attachment to the completed application.

If the water produced from this well will be used in whole or in part on property other than the property where the well is located, attach a description of the location where the water will be used. Transportation of water produced and moved to another location may require a District Transportation Permit. See District Rules, Section 10 or contact the District office for additional information.

8. Documentation, Attachments and Fees

The following documentation, attachments and fee payments must accompany this application when it is submitted for consideration by the District.

- a. Plat, map, sketch or drawing showing location of the property and location on property of well for which application is submitted.
- b. If owner and/or operator of well is different from property owner, provide written documentation from property owner authorizing construction and operation of this well.
- c. Payment for applicable fees must accompany application. For an exempt well the applicable fee is the Well Log Deposit which may be remitted to the District by either the well owner or the well driller.

9. CERTIFICATION

I, the undersigned applicant, hereby agree and certify that:

- a. this well will be drilled within 30 feet of the location specified and not elsewhere;
- b. I will furnish the District with a copy of the completed driller's log, any electric log, the well completion report and any water quality test report within 60 days of completion of this well and prior to production of water there from (other than such production as may be necessary to the drilling and testing of such well);
- c. in using this well, I will avoid waste, achieve water conservation, protect groundwater quality and the water produced from this well will be for a beneficial use;
- d. I will comply with all District and State well plugging and capping guidelines in effect at the time of well closure;
- e. I agree to abide by the terms of the District Rules, the District Management Plan and orders of the District Board of Directors currently in effect and as they may be modified, changed and amended from time to time;
- f. I hereby certify that the information contained herein is true and correct to the best of my knowledge and belief.
